	<p>offer education if caught with a vape, however there are a lot of issues at the schools so not able to work on prevention at this time. Hoping to work with LE on doing compliance checks. Antigo school is working on life skills training and Raise Your Voice.</p> <p>Barriers: Majority of individuals don't see drinking as a problem. 100 deadliest days working to change it to 100 safest days. Discussed if there was a reporting tool to show how much Narcan has been giving to individuals who overdose. Newspaper is not showing accidents, etc.</p> <p>Community Needs: Working with the tavern league. Poison control getting calls of young children getting into nicotine products. Getting med bags/disposal bags into the homes and working with AFD to potentially leave in the homes when they go on a call.</p>		
<p>Round Robin</p>	<p>Sheila discussed the community health fair with a focus on back to school immunizations coming Aug. 22 from 1-6 p.m. at the fairgrounds. More information to come.</p> <p>Karen stated the diaper drive is happening Mothers Day to Fathers</p>
